Carrie Miskin

Philadelphia, PA • carriemiskin@gmail.com • GitHub • LinkedIn • Blog

Designer and front-end–leaning full-stack engineer with 8+ years of professional design experience and a strong foundation in modern web development. Skilled at translating complex requirements into intuitive, accessible, and visually compelling digital experiences using React, Ruby on Rails, and UX/UI best practices.

TECHNICAL SKILLS

Engineering: JavaScript, React, Redux, Ruby on Rails, SQL, HTML, CSS

Design & UX: Figma, Sketch, Adobe Creative Suite, UX/UI Design, Web & Mobile Design, Prototyping

---

TECHNICAL PROJECTS

Throwback Movies | GitHub

- Built a full-stack application using React, Redux, and middleware to handle asynchronous front-end data
- Developed a Rails backend using Active Record and PostgreSQL
- Implemented authentication with encrypted user credentials
- Applied UX/UI best practices to streamline user flows and improve overall usability

Music Hall | GitHub

- Developed a JavaScript/React front end with custom CSS for a visually engaging, user-focused interface
- Built a Rails backend with a custom PostgreSQL database schema
- Designed intuitive navigation and layouts with a strong emphasis on usability and accessibility

---

PROFESSIONAL EXPERIENCE

Designer — Union for Reform Judaism • New York, NY • 2017–Present

- Led UX/UI improvements across web and mobile platforms, increasing site visitation by 5%
- Designed digital, social, and print campaigns driving a 50% increase in summer camp attendance
- Produced promotional video for international conference, contributing to 700+ attendees
- Created large-scale environmental graphics (6,000+ sq. ft.) and weekly email visuals reaching 500,000+ users
- Designed executive-level presentations and mentored interns

Graphic Designer — Princeton Partners • Princeton, NJ • 2016–2017

- Designed NJ State public safety campaign "Call #77," featured on NJ Turnpike billboards and digital displays
- Produced print, digital, and web materials for Peapack Gladstone Bank rebrand, supporting 25% asset growth

---
